JUNIOR SHOW SCHEDULES

Junior Angus Show – Friday, Aug. 18 – 1:00 p.m.

Junior Shorthorn Show – Thursday, Aug. 24 – 10:00 a.m.

Junior Hereford Show – Friday, Aug. 25 – 10:00 a.m.

Exhibitors: All exhibitors showing breeding animals in the Junior Show must be age 8 (Hereford: 7) by January 1 of current year and no more than age 21 by January 1 of current year. Exhibitors must also be current/paid members of the Idaho Junior Association **and** either the American Association or the American Junior Association by entry deadline.

If an exhibitor wants to show a steer in the Angus Steer Show, they must be entered by entry deadline and be a paid member of the Idaho Junior Angus Association by show day.

Contact the Junior Advisor(s) listed above for more details or information about membership. Registration certificates for breeding animals must list the junior exhibitor as sole owner (no co-ownership allowed) and dated at least 30 days prior to entry deadline.

Transfer and registration deadline is 30 days prior to show day. For the Bred & Owned Division, the junior exhibitor must be listed on the registration paper as both the breeder and first owner of the animal.

Guidelines and Rules: The Junior Show at the Western Idaho Fair is first and foremost governed by all printed and implied rules and guidelines listed in the Idaho Junior Association Handbook and second by those listed in the Western Idaho Fair Exhibitor's Handbook. It is the exhibitor's responsibility to have a copy of both books prior to the show and to be aware of the contents of both. Idaho Junior Association Handbooks can be obtained by contacting the Junior Advisor(s) listed above. The fair office does not have Idaho Junior Association Handbooks available. All participating exhibitors agree to abide by said rules and guidelines and exhibit good sportsmanship. Violations can result in forfeiture of premiums, expulsion from the junior show and/or removal from the fairgrounds. Information about and authority to enforce said guidelines and rules for the Junior Show is the responsibility of (but not limited to) the Idaho Junior Advisor(s), Junior Show Chair(s), Officers of the Idaho Association, Representative(s) of the American Association and the Western Idaho Fair Beef Superintendent(s).

Breeding Entries: A Junior Entry form is required to enter the Junior Show. There is no additional stall fee or entry fee for junior **breeding** entries if the same animal has also been entered in the Open Breed Show where a fee is required (**except for the Angus: \$10 charged by the Junior Angus Show Committee.**)

If the animal(s) are not entered in the Open Breed Show, then a \$12.00 fee must accompany the Junior entry form. Please note on the entry form if the female entered is "Owned" or "Bred & Owned". "Bred & Owned" means that the exhibitor owned the dam of the calf before the dam was bred. Only "Bred & Owned" bulls can be shown in the junior show. For an animal to be entered as "Bred & Owned", the junior exhibitor must be listed on the registration certificate as the first breeder and first owner. Junior (and Open) entry forms may be found in this Premium Book and online at www.idahofair.com or you can stop by the Premium Office to pick one up.

Check-In: All cattle must have legible tattoo corresponding with the registration certificate for that animal. All cattle (both Junior and Open entries) must be accompanied at check-in by the **original** registration certificate. At check-in staff members of the American Association will verify the registration certificates and tattoo numbers of all animals entered for both the Junior and Open shows. Missing or illegible tattoos or missing registration certificates could result in the animal not showing in either show. Any registration certificates not listing the junior member as sole owner will result in the animal not showing in the Junior Show, though they may still be eligible to show in the Open Breed Show.

The Association does not pay on championship or any group classes (i.e. get-of-sire, junior get-of-sire or breeder six-head classes).

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up.

Any animal upon check-in that does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules can be found at www.angus.org.

Only one person at a time shall lead animals into the show ring.

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. **Any animal found to be in violation will be barred from showing.**

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such shows shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.
