No refunds on entry fees.

A limited number of stalls are available, **ONLY** on a first-come, first-serve basis. Stalls in Race Barn area are available for use by those not stalling in Barns A and B or Draft Horse Barn, but you will need to provide bedding for them.
The stalls in the Draft Horse barn could be dirty at arrival. The Fair Livestock employees may not have enough time to clean those stall between the Light Horse and Mule Driving

Show and Registered Light Horse Show. We apologize for the inconvenience if that occurs.

Day stalls are a courtesy and might not be available, first come, first serve; check with the barn manager or Superintendent, do not just put your horse in a stall, even if they are not marked. Race Horse barns are available for putting them up for a rest.

Horses that are assigned stalls in Barns A and B or Draft Horse Barn must remain on the grounds Thursday through Sunday, for viewing by Fair spectators. The few Tack stalls available are for shared public use and are not a given or a privilege.

No trailers can be parked inside the Fairgrounds.

No straw can be used. Exhibitors may bring additional bedding (no straw). Only one bag of bedding will be provided with stall. You need to bring your own feed and water containers for your horses. Additional bedding for any of the barn areas can be purchased at the Premium Office and will be delivered to your stall. Please note which barn and stall number.

- ARRIVAL:** Horses to be stalled in Barns A and B may start arriving after 12 noon on Wednesday, Aug. 22, **but must be led to the stalls from the parking area.**

Show secretary will be available Thursday morning for picking up your number. Keep in mind, no barn manager on site until Thursday to keep an eye on your horse(s). All horses to be stalled in Barns A and B must be in the barns before 10:00 a.m. Friday, Aug. 24. **If not, stalls will become available to other participants. There will be no more exceptions for 4-H horses or other early arrivals. You may utilize the Race Horse Barns at your own risk.**

Horses stalled in Draft Horse Barn may arrive at 8:00 a.m., Thursday, Aug. 23 unless other arrangements were made with Superintendent. Horses stalling in Race Barns may arrive as necessary for their shows.

D&B/Shop Arena will be used for a Drill Team competition on Thursday, Aug. 23 (until at least 11 p.m.) and will be **closed** for warm up to any other participants except Drill Team members. Friday morning the arena may be available as usual. If you plan on arriving early, please take that in account. The Track Side Arena is not for the Light Horse Department use at any time.

Equine Viral Arteritis (EVA) “status” on the Certificate of Veterinary Inspection. These EVA status statements are found and defined in the Idaho State Department of Agriculture’s Animal Import Rules IDAPA 02.04.21 and on the Idaho State Department of Agriculture’s website – <http://www.agri.idaho.gov/Categories/Animals/importExport/indeximportexport.php>. Out-of-state horses **will be** required to have a valid (within the previous 12 months) Coggins (AGID or ELISA) test. All horses and mules should be vaccinated for infectious respiratory diseases transmitted animal-to-animal such as Equine Influenza and Equine Herpes Virus at least 30 days prior to exhibition. A West Nile Virus Vaccination is not required, but recommended. WNV is transmitted only from bird to mosquito to horse (NOT horse to horse and NOT from horse to mosquito to horse). All horses are subject to inspection at the Fairgrounds. Please contact your veterinarian to discuss appropriate vaccinations well in advance of the Fair.

14. **ONLY ONE BREED ASSOCIATION:** No horse may be entered in more than one breed class. If a horse is registered in more than one breed organization, the exhibitor needs to select one. No horse can be exhibited by more than one Exhibitor in the same class.

15. **MUST show in Champion and Best of Show Classes:** Horses winning first or second place in their regular halter class **must** show in **Championship Class** or forfeit all prizes previously won. Horses being named **Champion must** show in the **Best of Show Class** or forfeit all prizes previously won. Exhibitor does not pre-enter these classes.

3. Horses shall be considered to be one year old on the first day of January following actual date of foaling.

4. Junior Exhibitor denotes any exhibitor 18 years of age or under as of January 1 of current year. Persons born on January 1 shall assume the greater age on that date.

C. Horse will be judged on how pleasurable they look to ride. They should move with long, low strides, reaching forward with ease and smoothness, be able to lengthen stride and cover ground with a relaxed, free flowing movement. Horses should be responsive and smooth in transition. When asked to extend the trot or hand gallop, they should move out with the same flowing motion.

Horses to be shown at a flat-footed walk, trot and canter, both ways of the ring. May be asked to extend the trot.

Horses are to be reversed to the inside, away from the rail. **Horses may be asked** to change to canter from a flat-footed walk or trot at the Judge's discretion.

D. In Class 136, the first, second and third place horses from each of the English Pleasure classes compete together in this class.

(Two hands can be used on snaffle or hack.) Chain chin straps will be permitted, but must meet the approval of the Judge, must be at least ½" in width and lie flat against the jaw. No martingales or tie-downs.

C. A **good pleasure horse** has a free-flowing, forward moving stride of reasonable length in keeping with his conformation. Ideally, he should have a balanced, flowing motion. He should carry his head and neck in a relaxed, natural position, with his poll level at or slightly above the level of his withers.

Horses will be shown at a walk, jog and lope on a reasonably loose rein or light contact without undue restraint. May be asked to extend the trot and/or walk.

Horses must work both ways of the ring at all three gaits to demonstrate their ability with different leads. The judge may ask to extend the walk, jog or lope, one or both ways of the ring. Horses will be asked to back easily and stand quietly.

If using split reins, one finger can be between reins. With Romal, hands shall be around the reins.

D. In Class 163, the first, second and third place horses from each of the Western Pleasure classes compete together in this class.

8. In all Gaited classes, equipment use must be humane and performance appropriate. Barefoot or stamped stack shoes.

9. English and Western Classes, except gaited and Arabian Classes, will use AQHA Handbook as a guideline. Trail could have additional non-regulated, safe obstacles to add to the course.

10. In lead-line, no stallions are allowed and the handler must be 18 years of age. For acceptable clothing see APPOINTMENT rules. Saddles should fit the rider or have stirrups attached suitable for lead-liner to have feet safely in stirrups. Exhibitor should be four (4) years and older.

- be split with the top 3 riders). More challenging than the Western Trail, tougher obstacles and fun stuff. Be prepared.
- 123. Trail Challenge – Ranch It Up – Riders 19 & Over. Drag an obstacle, ASHA Rules apply. (\$100 Added Prize Money to be split with the top 3 riders). More challenging than the Western Trail, tougher obstacles and fun stuff. Be prepared.
- 124. **Gamblers Choice Trail: 5:00 p.m.** (Only 15 riders, 1st fifteen that sign up) Each rider has the same amount of time to negotiate as many obstacles as possible. Each obstacle is assigned a point value based on its degree of difficulty, and each rider tries to amass as high a score as possible within allotted time limit! Ride the entire course one time covering all the obstacles, than pick your Gamblers choices. Dead obstacle: if the horse knocks down any portion of the obstacle, it will be considered dead. Thus, a rider may NOT repeat this obstacle. Also, if a horse hits a pole or portion of the obstacle and it is severely disrupted, the obstacle is considered dead. Credit will be given as long as the horse goes over the poles. Breaking gait or switching leads is acceptable. Some obstacles may have bonus points

available. Those will be clearly stated on the pattern. **Fault:** if a horse steps out of an obstacle (i.e. back-thru or box), a zero score for this attempt will be allowed. Horse may be ridden in approved bit regardless of age, but must be ridden one handed in bit or 2 handed in a bosal or snaffle. Protective leg wraps/boots are acceptable. **Time:** there will be a designated start/finish line. The rider will be given a 30-second warning prior to the end of the time limit. If the rider is involved in an obstacle as time is called, he/she may elect to finish that obstacle and, if successful, will receive credit. If the rider is just approaching an obstacle when time is called, no credit will be given regardless of completion of that obstacle. If the rider has time remaining after attempting all the obstacles, he/she may increase their score by repeating any obstacle again as long as it is not disrupted, knocked over or severely disturbed. The rider may NOT do the same obstacle back to back unless it is the only obstacle left that is not considered dead. **Tie:** ties for any places will be determined by coin toss.

125. Wild Horse & Burro In-Hand Trail Challenge: 6:00 p.m. or later. Course obstacles will be adjusted. (Horses adopted less than 2 years and/or 3 years old & under, not shown under saddle yet. Need to be BLM branded, no home-bred mustangs.) 4-H Project horses, current year, will be judged as a separate entity in addition to the other horses. Trophy provided by the BLM. Mustangs can also be shown in Halter in Section 5, Other Registered Horses in their category and age group, Showmanship and In-Hand Trail. \$10 Additional Entry Fee (Up to \$200 Jackpot added. Note: winner does not take all – amount added to regular premiums). Limited to 20 participants! Please add \$10 to your entry fees.

Music needs to be cued and ready to go. Acceptable: CD with one song on it or your phone with a song cued, etc.

The horse needs to perform the following: 2 sliding stops, 2 rollbacks and side passes to each direction and use of the trot over poles (they will be placed on the East side just South of the entry gate, no changing of poles), at least one lead change. Three minutes maximum (length of a normal song) to perform a freestyle pattern in approved tack, either Western, English or Bareback. Music optional but should compliment the pattern. Props are welcome, so are costumes. Designed to show a horse's ability and willingness to perform several tasks that are asked of him in a quiet manner with forward cadence in the gait.

A horse will be given credit if his head is in a normal position, his ears are alert, and moving at a natural free flowing speed for the gait chosen, for demonstrating athleticism, smoothness, and finesse while performing all gaits. Credit also will be given for making a smooth transition between the gaits, for keeping the correct lead, and for maintaining the gait.

A horse will be heavily penalized for: artificial appearance of frame or gait, extremely low head carriage, excessively slow and/or a four beat way of travel in the lope, and any display of resistance. Explanation:

FOUR minutes and four riders are to perform a typically fun, themed routine with costumes for both horse and rider. Music is key and sets the tone for these very entertaining routines.

Just before beginning your routine, please take an actual parade lap so the crowd and judge can enjoy the great costumes.

Scoring

Emphasis will be placed on performance of the drill, **NOT** on uniforms, tack, or matching of horses. Please note: horses' muzzles and whiskers do NOT need to be trimmed. Bridle paths and fetlocks at the most, neat and tidy is all that is required.

Execution of Drill: Most important is alignment, spacing, timing & coordination. Were the lines straight, were the circles evenly round? Was the spacing consistent side-by-side or in a line; or were there gaps? Was the timing coordinated, or was it haphazard? Does the drill look solid, planned and smooth?

Originality, Variety, and Attractiveness of Patterns: Were original and varied patterns used and presented well? Are there different groups of riders, leaders, approaches and exits of maneuvers?

Spectacularity and Crowd Appeal: Was the drill designed to please an audience in its tempo, maneuver placement, flag usage and overall energy? This is scored higher in the Freestyle/Open routine.

Degree of Difficulty: more difficult routines with complex maneuvers receive more credit than a simpler routine with easier maneuvers and more set-ups, etc.

Performance and Manners of Horses: Were they well-mannered, did they maintain the proper gait?

Theme, Costume & Flags: This category provides points for any props, special costuming or theme for the Freestyle/Open and the Quad routines (Quads more than Free/Open). Not applied to Short/Required.
