

DEPARTMENT J14

Beef Cattle

Supervisors: Zach Putzier (FFA)
Kim Glineski

General Comments:

Each exhibitor, parent and leader participating in this department is responsible for reading and complying with the Junior Livestock General Rules and information section pertaining to this specific project.

If any off-label drugs are used, the animal will be disqualified from the show.

All beef entries are due in the Premium Office by July 30 by 4:30 pm.

It is mandatory that all 4-H members be interviewed at the time the record book is submitted August 11-12. Sign up for interview times through ZSuite.

Rules & Regulations:

4-H members should follow the Idaho 4-H Policies and Procedures guidelines for fitting their animals. This document can be found on the Idaho 4-H Website. 4-H and FFA members are allowed limited assistance in fitting their animals based on the exhibitor's experience.

All beef in showmanship, breeding and market classes can be fit. Exhibitors may have a parent and/or youth mentor, under the age of 18, currently active in 4-H or FFA to assist with fitting their animal. The exhibitor should be the primary fitter of the animal. Exhibitors **MUST** wash their cattle following the show to remove all adhesives. **No fitting products may be used on the day of the sale.** No substance will be allowed to alter the color pattern of any part of the animal. Generators will be allowed but cannot be stored or used in the livestock barns. Every generator must be accompanied by an appropriately sized ABC fire extinguisher that has a current tag from a licensed fire extinguisher service company. Failure to follow these guidelines/rules may result in the removal of your animal from the Ada County Junior Livestock Sale and Western Idaho Fair.

No blocking chutes will be allowed in the Livestock Barn. There will be a designated area outside on the west side of the barn, where "blocking chutes" may be placed. All grooming must take place on the west side of the barn or in the stall area. **Do not wash in the sheep area.** **No generators in the barn.**

A health certificate is required. All beef will be examined by a veterinarian and issued an official veterinary certificate of general soundness and good health at weigh-in, OR a veterinary certificate should be dated no earlier than 30 days prior to arrival at the fairgrounds. Beef will not be allowed in the barn without a Health Certificate. The Health Certificate must be displayed at all times. **Exhibitors who bring their animals in early before gates are set, must supervise their animals to prevent runaway cattle.**

All intact cattle must have official individual identification: silver or orange USDA metal tag or RFID (radio-frequency identification) tag.

All brucellosis-vaccinated female (breeding or market) cattle four (4) months of age or older should have a legible

brucellosis vaccination tattoo. Non-brucellosis vaccinated females over twelve (12) months of age must have a negative brucellosis test within thirty (30) days of entry into the Fair and may be entered for Show purposes only. All cattle for breeding or for sale purposes at the Fair must meet the Idaho change-of-ownership requirements. Certificates of examination should be dated no earlier than JULY 15, 2024. All cattle are subject to inspection at the Fairgrounds. All non-virgin beef bulls shall be accompanied by a certificate of negative Trichomoniasis herd test or be returned to home premises. All virgin beef bulls up to 24 months of age shall be exempt from Trichomoniasis testing requirements and certification. All market beef is required to have been weighed and tagged at least 150 days prior to the fair weigh date, and it must be recorded at the Extension Office. Market beef that does not meet this requirement is ineligible to sell unless exception is granted by the Jr. Livestock Superintendents.

All beef, both market & breeding, must come across the scale at weigh-in and check-in on August 14th.

All cattle being transported to and from the fair on any public highway should have either a brand inspection or a trip permit in the possession of the person in charge of transporting the animals. Brand inspection papers will be required on market beef at the time of weigh-in and breeding cattle at check-in. Brand inspections should be obtained when animals are purchased to show proof of ownership. This can be done by contacting the local brand inspector. Checks will not be released by the brand inspector until the above requirements are met.

All beef animals may be shown with nose tongs or a ring and will not be penalized for it. However, all beef and dairy bulls over 1 year of age must be shown with a ring or nose tongs. Beef animals are required to have a safety rope around the neck in addition to halter when tied. It is recommended that handlers of cattle wear gloves at weigh-in.

One judge will be used to place live market beef. Average daily gain information will be available for the judge. Live weight must be over the minimum weigh of 1,100 lbs during final weigh in. All slaughtered beef will be entered in the carcass contest.

Only intermediate and senior age divisions are allowed to use a bull for their showmanship animal. Bulls may not be shown in showmanship by novice or junior age division.

AWARDS

Black Angus Awards

The Idaho Angus Association will present:

1. Rope Halter for the Outstanding Black Angus Market Project.

The Idaho Angus Association sponsors an award to be given to the highest placed **BLACK ANGUS** market project in a live show. The outstanding Black Angus market project is open to either a 4-H or FFA member (only one award). The exhibitor must own the animal and the divisions of both quality and fitting and showing are to be considered. If there is not a 100% Black Angus project entered, then a crossbred animal is eligible providing it is **at least 50% Black Angus** (verified Black Angus sire or dam). An exhibitor may receive the outstanding Black Angus market project award more than once but not two years in a row.

2. Desktop Star Award for Outstanding Black Angus Breeding Project.

The Idaho Angus Association sponsors an award to be given to the highest place Black Angus breeding project. Females and bulls are eligible; **steers are not eligible**. This award is open to either a 4-H or FFA member (only one award). The exhibitor must own the animal and the divisions of both quality and fitting and showing are to be considered. If there is not a 100% Black Angus project entered, then a crossbred animal is eligible providing it is at least 50% Black Angus (verified Black Angus sire or dam). An exhibitor may receive the outstanding Black Angus breeding project award more than once but not two years in a row.

If a point system is needed, we suggest the following:

Conformation point placing:

Grand Champion: 40 pts.

Reserve Champion: 30 pts.

1st place: 20 pts.

2nd place: 15 pts.

3rd place: 10 pts.

Showmanship placing:

Grand Champion: 40 pts.

Reserve Champion: 30 pts.

1st place: 20 pts.

2nd place: 15 pts.

3rd place: 10 pts.

Participation: 6 pts.

Educational display promoting Angus breed: 25pts

The Idaho Angus Association sponsors a \$100.00 cash award and plaque to the highest place **Black Angus Carcass** in the state. Each county extension office or county fair award organizer must send the carcass data from their county to the Award Chair for tabulation. In order to qualify animals must be 51% black in color and have no Brahma and dairy influence and have been exhibited at an Idaho fair. Criteria for judging will be based on the Certified Angus Beef (CAB) formula.

The Western States Angus Auxiliary, 1150 East 2600 South, Hagerman, ID 83332, will present an award to the outstanding 4-H exhibitor and/or outstanding FFA exhibitor. The selection of the winner is based on show ring placing of individual animals, placing in showmanship and educational display. The following point system must be followed:

Conformation point placing - Grand Champion 40 points; Reserve Champion 30 points; 1st place 20 points; 2nd place 15 points; 3rd place 10 points; Showmanship participation: 6 points; Educational display promoting the Angus breed: 25. If steers and breeding animals are both exhibited, points may be combined to select a winner.

For Breeding Animals, the animal must be registered with papers. This is open to exhibitors with one or more breeding

and/or market animals. Winning the award in previous years shall not exclude an exhibitor from winning again.

For Market Steers this award should go to the highest placing predominately black steer. The sire must be Angus.

Keep in mind that the purpose of this award is the promotion of the Angus breed. Therefore, Angus Breeding animals should take precedence over market animals.

“Superior Beef Award”/Belt Buckle

The Idaho Cattle Association will award a belt buckle to the outstanding 4-H or FFA member enrolled in a beef project in the current award year. The award will be based on the best combination of performance, sportsmanship and citizenship. This award is limited to one buckle per exhibitor's 4-H or FFA career.

The Western Idaho Fair Beef Awards

The Western Idaho Fair will present a banner and buckle to the Grand Champion and to the Reserve Champion Market Beef.

The Western Idaho Fair will present a buckle to the Grand Champion Showman FFA, Junior and Senior 4-H Divisions.

Ada County Farm Bureau

Awards will be presented to:

Grand Champion and Reserve Grand Champion Junior Division, Senior Division and FFA Showman in Beef.

DEPARTMENT J15

Sheep

Supervisors:

Jessica Sunderland (FFA)

Amber Bucknell (FFA)

General Comments:

Each exhibitor, parent and leader participating in this department is responsible for reading and complying with the Junior Livestock General Rules and information section pertaining to this specific project.

All sheep entries are due in the Premium Office by July 30th by 4:30 pm. All Ada County 4-H sheep record books are due August 11-12.

IT IS MANDATORY that all Ada County 4-H members be interviewed at the time the record book is submitted. Sign up for interview times through ZSuite.

Information:

Market classes may be further divided or divided differently depending on number of entries.

Appropriate dress as stated under "Showmanship Rules" should be followed. Sheep showmanship will combine breeding and market animals.

Classes will be designated by age of exhibitor.

No rams will be used for showmanship without supervisor permission.

Sale lamb must be designated immediately following completion of judging. It is the exhibitor's responsibility to designate the sale lamb to the Supervisor.

Members may enter up to four market lambs on entry form, but they may only exhibit and weigh in two market lambs.

No blankets at weigh in or veterinary check.

Lambs may be penned together at the discretion of the Supervisors.

Rules & Regulations:

All sheep entering the fairgrounds must undergo a veterinary check or must have a current health certificate. Before being admitted to the fair, sheep must be sound, in good health, and free of communicable diseases. All breeding stock of any age must be identified with a Federal Scrapie Program identification number. This requirement also applies to all ewe lambs entered in market lamb classes. If the designated lamb does not have a Scrapie Tag, it will not be allowed to enter the fair.

All market lambs must have been weighed and tagged during the designated period for rate of gain data collection. This information must be recorded at the Extension Office. Market lambs not meeting this requirement will not be eligible to sell unless exception is granted by the Jr. Livestock Superintendents.

Market Lambs must be docked such that the tail (dock) is healed and can be lifted from the exterior with the sheep in its free-standing position. Lambs exhibiting evidence at initial or final weigh-in of surgically

removed tail vertebrae or re-docking are ineligible for the market show and sale.

Sheep showing prolapsing (prolapse that will not return to normal position without assistance) will not be allowed to show or sell and must be removed from the fairgrounds. To help prevent prolapsing, the AVMA guidelines recommend that the tails be docked at the distal end of the caudal fold. Surgical removal of the lamb's tail will not be allowed.

Lambs must weigh at least 110 lbs. at final weigh in. Lambs under 110 lbs. will NOT be allowed to sell. They will, however, have the chance to show. **Market lambs having wool longer than 1/2 inch will not be allowed to weigh-in, show or sell. Market Lambs need to come to final weigh-in already slick shorn with 1/2 inch or less of wool.** Feeder lambs must be weighed and must also meet the 1/2-inch wool requirement.

Lambs floor price will be determined by pool arrangements prior to the fair.

Swine

Supervisors: Jerry Berheim
Kyle Nesbitt (FFA)
Matt Stokes (FFA)

General Comments:

Each exhibitor, parent and leader participating in this department is responsible for reading and complying with the Junior Livestock General Rules and information section pertaining to this specific project.

All swine entries are due in the Premium Office by July 30th by 4:30 pm. Swine will not be allowed to enter the barn without a health certificate. A veterinarian will issue health certificates at weigh-in from 7:30-9:00 p.m. on Thursday, August 14. All Ada County 4-H swine record books are due August 11-12. IT IS MANDATORY that all members be interviewed at the time the record book is submitted. Sign up for interview times through ZSuite.

Information:

A. Quality judging of market animals - the show will be held later if hot weather dictates the delay - this decision will be made by the Swine Division Supervisors.

B. Swine target weight should be between 230-320 lbs. Swine under 230 lbs. are not eligible to sell. Swine over 320 lbs. will only sell if a resale buyer is found.

C. There will be Champion and Reserve Champion rosettes for each breed providing there are at least 3 eligible entries.

D. Market classes in each of these groups will be grouped according to the number of entries and the weight ranges of the hogs to allow for more uniform competition and evaluation.

Rules & Regulations:

Health Certificate - Swine will not be allowed in the barn before weigh-in unless the swine are clean, in show condition AND accompanied by a health certificate from a veterinarian. One copy of the health certificate must always remain with the animal. All swine for breeding or for sale purposes at the fair must be from a validated free and Pseudorabies Stage IV or V State or be Brucellosis and Pseudorabies tested. Veterinary certificates of inspection should be dated no earlier than 15 days prior to arrival at the fair. **Swine found penned in the barn without a health certificate will be dismissed from the fairgrounds.**

All swine are subject to inspection at the Fairgrounds. All swine in the barn before weigh-in will be weighed AFTER all other swine to cut down on confusion in the alley way. All market swine must have been weighed and tagged during the designated initial weigh-in to be eligible to compete in the market program. This information must be recorded at the Extension Office. Exceptions may only be granted by the Junior Livestock Superintendents.

Sternberg Dairy Showmanship Award

The Sternberg Dairy Showmanship Award is presented in honor and memory of Benson and Jackson Sternberg, two brothers who grew up showing dairy animals together. The boys appeared on the Western Idaho Fair scene as soon as they were old enough to enter classes and showed dairy animals until 2011 when Ben left for the University of Idaho upon receiving an FFA Dairy Scholarship. In separate accidents in 2011 and 2012 their lives ended through inexplicable tragedy.

The Sternberg brothers were both accomplished showmen and won countless awards with their dairy animals. In 2011 Jackson received the Star Farmer FFA award and both Ben and Jack were grand champion showmen at the Western Idaho Fair. They brought life and entertainment to the dairy barn. In victory, Jackson was known to rile Benson (or anyone else who would listen) by singing an altered version of Queen's Rock anthem, "We are the Champions." Despite Jack's confidence and their numerous awards, the boys were humble about their accomplishments. Their ease with cattle and love for the dairy industry was contagious.

Silver belt buckles will be awarded to the grand champion dairy showman in both FFA and 4-H as a tribute to beautiful lives of Benson and Jackson Sternberg. The boys were champions in life and will remain so -- especially to those who come to know them through this award.

DEPARTMENT J20
